

Water Meter Testing Application

Customers may request to have the accuracy of their water meter verified for an advance fee of **\$35.00**. If, when tested, the meter is found to be more than two percent (2%) in error, the amount advanced shall be promptly refunded to the customer. If the meter is not found to be more than two percent (2%) in error, the utility shall retain the amount advanced for testing of the water meter. The customer may be present when the Morgantown Utility Board conducts the test, or may send an expert or other representative. The results of the test shall be supplied to the customer within ten (10) days after completion of the test.
